ALL DAY STREAM TO RAISE MONEY FOR F CANCER

TAKE OVER 2023

This marathon will feature your favorite community gamers. STREAM WILL TAKE PLACE THE LAST WEEKEND OF EACH MONTH.

MENTAL HEALTH AWARENESS MONTH

It's important to have a support system in place when you're going through cancer, whether you're a patient or caregiver. You will need your people to lend a hand, make you laugh, listen to you vent, or sit in silence. **Cancer doesn't just affect your body. It can also affect your mind. Help us spread mental health awareness for not just cancer survivors and patients but for streamers, college students, and everyone in between by joining our May Takeover.** Funds from this month's Takeover help support our patient CareLine. Our FC CareLine provides personalized cancer navigators for cancer patients and their caregivers. Helping navigate finances, insurance resources, legal protections, and more.
